

# Big Hearts Under the Big Sky

## 2009 Auction Item #1

Doctor Lifson of Bozeman, MT donated a wine tasting event to the Big Hearts Auction, as you may recall we purchased it. We took the wine tasting and added a nice prime rib dinner to it. Invited some special folks and raised some additional dollars for the Big Heart Under the Big Sky Program. So much fun was had by all we plan to make this an annual event at our lodge!

Dr. Lifson was our 'sommelier' for the evening!
